

THE PEOPLE LIVING IN DARKNESS HAVE SEEN A **GREAT LIGHT**. (MT 4:16)

Blessings to you this Christmas! **We are praying for you and your loved ones** to have a special holiday full of heaven's presence and joy. We love this time of year for so many reasons.

A GREAT LIGHT: We love that everywhere we go, Jesus is being exalted. We hear it in the Christmas carols in stores, we see it in the decorations on people's lawns, and we feel it in the air. We transpose this against the issues we deal with on a regular basis with our media, prayer and advocacy work.

As you know, through our show, **we are constantly tackling the tough stuff**. This past year, many national issues have been far reaching in their potentially devastating impacts—the expansion of medical assistance in dying to the mentally ill, soaring inflation and federal debt, the internet censorship bill and the attack on pregnancy care centres....to name a few.

It is against this backdrop that Matthew 14:16 has so much significance: **The people living in darkness have SEEN A GREAT LIGHT.**

We are concerned about the issues of our time, yes, but we are also full of faith that in the midst of darkness God's light will be magnified through His people. This is also why we love what we do. Every day, because of your support, we get to **speak light and truth into issues that matter**. Every week, we hear from people who share how

much they value the information our communications provide—and that they don't know where else they would go to get that info.

We're excited about **the impact we saw with our recent revival event, Hope Restored**, and the plans we have for more in 2023! We're so incredibly proud of **our team who, day after day, pray for people over the phones**. Lastly, we're moved by the amazing and **faithful prayer leaders interceding in the Life Room 24-7**. We will only know the full impact of all this when we get to heaven—what an exciting thought! The fruit of all this activity will be added to your heavenly account!

A CHILD IS BORN: Recently we were reminded of the power of what we do while interviewing a candidate for our team. She shared, "You might not remember this, but earlier this year I reached out to your team for prayer. My sister was considering abortion at the time. Well, **I am convinced it was your prayers that changed her mind. I am now an aunty to a beautiful little girl!**" We were so moved by this. How many more have been touched, and saved, that we do not even know about!?

Even for just one, it is all worth it.

Thank you for standing with us. You make it possible!

Robert + Jaylene

TESTIMONIES

The conference brought Heaven's kiss to the earth for me...For the first time ever I got to share this level of anointing with my sister. I...thank your team for spearheading this event. The combination of the powerful Word and Spirit - rocked our world and our lives. - BS

"Hi Faytene I just recently discovered you on TV. Finally, political news and knowledge that's all about Canada. Information that is presented accurately and from a Christian perspective. Thank you so much - you're doing an amazing job." - DV

"I appreciate your uncensored newscast...I believe Laura Klassen was a good witness...keep up the good work. Truth is so scarce these days." - VW

Being part of the Life Room has been a privilege and honour. I have been able to witness what the power of prayer can do by hearing incredible testimonies of women/men choosing life. And as if that wasn't enough, watching the team stand together and keep each other covered is incredible..." Isabel S.
