

Give Thanks With A Grateful Heart

1 Thes. 5:18

PARTNERS' UPDATE

Dear Friend,

It is just days after our event, *Hope Restored*, in Saint John and our hearts are so full. **God is moving all across Canada!** We hosted this revival-spirited event to bring refreshing to people, pray for the sick, give opportunity for people to give their lives to Christ and to pray for our nation. Our dear friend Sammy Robinson ministered powerfully, at least **9 people committed their lives to Jesus** and dozens more have testified of **healing in their bodies!** We are grateful for the tangible impact.

These moments are **made possible because of YOU**, our faithful partners. **The fruit from this past weekend will be credited to your heavenly account! THANK YOU.**

Our team is now quickly shifting focus back to filming new TV episodes (speaking to the issues shaping our nation), working on our property development, strengthening the Life Room (24-7 prayer for life) and preparing for some exciting things over the next months.

In 2023, we plan to host the next *Canada Summit for National Progress*. Through it we will gather believers with a heart to see transformation in our nation. The focus will be to strategize, network and receive training for national impact. Secondly, we are considering making *Hope Restored* a regular event, possibly with a New Year's Eve special. Stay tuned!

Our hearts remain resolute to contend for transformation and renewal in our nation, but we could not do it without you. Thank you for your support—we want you to know that every gift, and every amount, **makes a huge difference.** We also want you to know we are praying for you. Please call anytime if you have a prayer request.

Bless you,

OCTOBER 2022

OTHER UPDATES

We give *thanks* for ...

Faytene had the opportunity to be onsite at the Conservative Leadership election to pray and do some reporting. For reflections on the outcome, visit her personal Facebook page or contact us for a link to the video. Let us continue to pray for all those in authority (1Tim 2:2).

PROPERTY DEVELOPMENT:

Ground has been broken and we are ready to install the foundation of our first new building!

THE CANADA HOUSE ↑

It will be used for additional office & hosting space. An expanded studio is coming in the spring 2023.

NEW LEADERS NEEDED: Recently some leaders from the Life Room needed to step down for personal reasons. This means **we are currently looking for four new ones**. In the mean time, faithful intercessors are temporarily plugging the gaps. We thank God that the wall has remained 24-7 in the transition. **If you would like to sign up to be a Life Room leader to fill one of the openings, or sign up to be a prayer partner**, please email us at: apply@liferoom.ca
